The Pouting Prophet

Jonah 4:1-11

In our passage this morning, we are reminded of God's *grace* and *mercy*. After God relented from sending His wrath on Nineveh due to their repentance, the prophet Jonah responded in anger. In this, Jonah behaves like *the pouting prophet*. Let's notice some things that shed light on this response from Jonah...

I. The _____ of Jonah were Met (vv.1-4)

- A valuable lesson for us:

We can articulate perfect _____ and still live in _____ to God!

II. The _____ of God are Made (vv.5-9)

- See *Jonah 1:4, 17; 4:6-8; Galatians 4:4-5; Ephesians 4; John 16*

III. The _____ of God are Maintained (vv.10-11)

Today, let us place our faith in Christ, live for Him, and be a part of His global program of salvation!
