### **Revive Us Again**

*Psalm 85:1-13*

Perhaps now more than ever our nation and the Christian Church stands in need of revival. Moreover, given the current circumstances facing us, perhaps now more than ever we are poised for great revival. As we open God's Word to Psalm 85 this morning, let's examine what this psalm teaches us about revival.

Notice that we prepare for revival as we...

#### **I. Look to the \_\_\_\_\_ (vv.1-3)**

- Significantly, the verbs in these verses are all in the past tense, indicating a look backwards.

#### **II. Long for the \_\_\_\_\_ (vv.4-7)**

- The request in v.6 should be the request of God's people today: "*Revive us again*"
- The \_\_\_\_\_ of God's people leads to the \_\_\_\_\_ of God! (v.6)

#### **III. Live on the \_\_\_\_\_ (vv.8-13)**

- *See James 1:16-17*
