### **A Multiplication Strategy**

*Acts 14:1-7*

As we continue studying through Paul's three missionary journeys, our passage this morning locates Paul and Barnabas in Iconium. Let's examine these verses to uncover a multiplication strategy.

Notice the actions of Paul and Barnabas...

#### **I. They \_\_\_\_\_ (v.1)**

- Just as Paul did not give up on the Jews, we are not to give up on people either (*see Acts 13:46*)

#### **II. They \_\_\_\_\_ (vv.2-3)**

- This tells us two things which are crucial for kingdom multiplication:

1. Perseverance

2. Diligence

#### **III. They \_\_\_\_\_ (vv.4-7)**
