A Life of Wisdom

Proverbs 31:10-31

As we continue our study in the Book of Proverbs, we come to a familiar passage of Scripture. Proverbs 31 gives us a portrait of wisdom lived out in everyday life. While often applied to women, this passage ultimately shows what it looks like for anyone to live a life shaped by the wisdom of God.

Notice, a life of wisdom is...

I. Marked by Godly _____ (vv.10-12)

- A wise life is defined not by outward _____, but by inward _____

II. Demonstrated through Diligent _____ (vv.13-27)

- A virtuous woman's diligence is not driven by _____, but by _____

III. Rooted in the _____ of the Lord (vv.28-31)

- See *Proverbs 1:7*
