### **Planted in Babylon**

*Daniel 1:1-21*

*“The eternal God is your refuge, and underneath are the everlasting arms.”*

– Deuteronomy 33:27

Today we begin a new sermon series called *Planted*, which is based on a study in the Book of Daniel. In the chapter before us we learn that Daniel was taken captive, exiled, and planted in the pagan nation of Babylon. However, through this adversity, he remained planted in his faith. Let’s examine some timeless principles emerging from the text that can help us to live likewise.
