The Path of Wisdom

Proverbs 1:8-19; 2:1-15

Life is made up of daily choices, and every choice puts us on a path. Proverbs helps us see clearly where those paths lead. Our passages today call us to walk the path of wisdom rather than the path of sin.

Notice three guiding principles on the path of wisdom...

I. _____ to Godly Instruction (1:8-19)

- Walking the path of wisdom requires hearing the *right* voices and rejecting the *wrong* ones!

II. _____ Wisdom Intentionally (2:1-11)

- Wisdom comes from the Lord (v.6), so we seek it from Him.

III. _____ in Wisdom's Protection (2:12-15)

- Wisdom *guards* and *guides* us away from destructive paths!
