A King's Dream

Psalm 137:1-4; Daniel 2:1-11, 20-45

As we continue in our series, *Planted*, which is based in the Book of Daniel, our passage this morning draws our attention to *a king's dream*. The king was the king of Babylon, Nebuchadnezzar. Through this dream, let's see how God reminds us that He is the God of kings and His Kingdom is the greatest.

Notice...

I. The _____ of the King (vv.1-11)

- This was a two-fold issue:
 1. The king was _____ in Babylon.
 2. The king's advisors were _____ in Babylon.

II. The _____ of God (vv.20-30)

- See *Daniel 2:20-23*

III. The _____ of the Dream (vv.31-45)

- The statue of various metals symbolized *four kingdoms* (*Babylon, Persia, Greece, and Rome*)
- Ultimately, the *Lord's eternal kingdom* will reign forever!
