Let Us Be Grateful

Hebrews 12:18-29

In our passage today the author of Hebrews urges us to be grateful (v.28). So, with thanksgiving in mind, let's examine the *reason* we have to be grateful as well as the *result* of our gratefulness...

Notice...

I. The *Inflow* of Our Gratefulness: _____ (vv.18-28a)

- Verses 18-24 contrast two mountains representative of the two covenants—the Old Covenant and the New Covenant
- Are we part of the kingdom that cannot be “shaken?”

II. The *Outflow* of Our Gratefulness: _____ (vv.28b-29)

- This type of worship necessarily includes *reverence* and *awe*!
