Strengthen My Hands

Nehemiah 6:1-9

In our passage today, Nehemiah and the people of Jerusalem were nearing the completion of the wall around the city when their enemies intensified their opposition. Nehemiah's response teaches us how to remain faithful when opposition threatens to weaken us. From the text, then, let's consider three responses that we need when opposition comes into our lives and threatens to pull us away from what God has called us to do.

Notice...

I. _____ the Distraction (vv.1-4)

- The enemy often distracts us with something that does not initially look _____.

II. _____ the Intimidation (vv.5-8)

- Instead of resorting to panic, Nehemiah rested in truth! (v.8)

III. _____ on God's Strength (v.9)
