Principles of Biblical Faith

Hebrews 11:24-26

Our passage this morning is situated in the great “Hall of Faith” chapter of Hebrews, specifically focusing on the faith of Moses. From this passage, we discover a few *principles of biblical faith*.

Notice, then, that biblical faith demands...

I. A _____ (v.24)

- See also *Luke 9:23* and *1 John 2:15*
- Biblical faith requires saying “**YES**” to Jesus and “**NO**” to the world!

II. A _____ (v.25)

- Biblical faith understands the difference between *temporary pleasure* and *eternal treasure*!
- See also *Mark 8:36*

III. A _____ (v.26)

- See *Philippians 3:8*
- Biblical faith allows *eternity* to shape our *present priorities*!
